

Terms for admission to the first year of the 4-year study for the academic year 2023/2024

The admission procedure is in accordance with Act No. 245/2008 Codex on education and training (Education Act) and on the amendment and supplementation of some laws in accordance with the Decree of the Ministry of Education, Science, Research and Sport of SR no. 314/2008 Codex on Secondary schools and a list of study departments and training departments that require verification of special abilities, skills and talents.

In the school year 2023/2024, we are opening 2 classes. Students of the 9th year of elementary schools can enrol for a 4-year study at Cambridge International School in English language.

The admission exam is compulsory for every pupil who has a properly registered application under Act No. 245/2008 Codex on education and training (Education Act) and on the amendment and supplementation of certain laws.

Admission test date: May 2, 2023

Form of admission exam: Written

Content of the admission exam:

By examining special skills, abilities and talents for the study of a given department, they consist of:

- English language test (60 minutes)
- A test of general study requirements (60 minutes)

Admission exam rating:

The assessment of the admission test is as follows:

The student will pass the English language exam successfully if he / she obtains at least 25 points out of 40 points. If he / she earns less than 25 points, the student will fail the admissions test. The student will pass

the test from the general study requirements successfully if he / she obtains at least 20 points out of 50 points. If he / she earns less than 20 points, the student will fail the admissions test.

The student will pass the admission test successfully if he / she performs sufficiently in both parts of the admission exam.

Acceptance conditions

The order of candidates who have successfully passed the exam based on the sum of the points earned in descending order shall be ranked. A maximum of 32 pupils will be accepted in the first year of the 4-year study. Entry is also based on the ability to pay the annual school fees. In the event of equality of points in the order of the pupils, the candidate is preferred according to the following criteria (in the order indicated):

- a) changed working ability of the pupil (Article 67 (3) of Act No. 245/2008, confirmation of the social security assessment commission is required, delivered by the pupil's legal representative to the school headquarters no later than 3 working days prior to the admission examination),
- b) greater point gain for the written test in English.

The School Director decides on admissions of the candidates and will publish their list at the gate of the School and on the School's website by May 19, 2023.

On the list, candidates will be given a pre-assigned numerical code and a ranking based on the total number of points earned during the admission procedure. The list will include information on whether the candidate has passed the admission exam successfully or failed.

The School Director issues a decision on admission to study to the applicant based on the results of the admission procedure. The legal representative will confirm the admission to high school in writing by May 24, 2023 at the latest.
